

Curriculum Overview	PE	Geography / History	PSHE	Music
<p data-bbox="78 225 353 336">Year 2 Term 4 The Battles and Conquests of 1066</p> 	<p data-bbox="414 148 736 635">In Outdoor PE this term, we will be practising the skill of dribbling, kicking and hitting, whilst changing speed and direction. In indoor PE, we will be learning Mediaeval dances, using levels changes in speed and direction and showing control and coordination when performing actions.</p>	<p data-bbox="770 201 1352 584">This term we will be learning about the Norman Conquest - Battle of Hastings. We will discover who the contenders for the throne were and how William the Conqueror became King. We will learn about the Bayeux tapestry and the Domesday book. We will also find out about Norman castles and why they changed from a Motte and Bailey to a Stone Keep. We will learn how to become a Knight and compare the life of a child in 1066 to nowadays.</p>	<p data-bbox="1391 181 1809 603">This term we will be thinking about safe relationships. This includes recognising hurtful behaviour in person and online, what bullying is, the different types of bullying and how to seek help. We will sensitively approach differences between happy surprises and secrets that make them feel uncomfortable or worried, and how to get help.</p>	<p data-bbox="1850 218 2179 568">We will be listening to and appraising the music of Zog a book transformed into a film by Julia Donaldson. Through this, we will identify instruments found in an orchestra and then we will add percussion to the music.</p>
Art / DT	Computing	RE	Maths	
<p data-bbox="56 754 380 1066">In Art, we will be learning about observational drawings, focusing particularly on eyes. We will be making our own Dragon eye out of clay, using a variety of skills and tools to create pattern and texture.</p>	<p data-bbox="414 754 739 1066">This term in Computing, we will be learning how to use Powerpoint. We will be experimenting with how to add text and pictures and how to animate a slide. Eventually emailing our work when complete.</p>	<p data-bbox="770 786 1097 1031">We will continue to learn about Islam this term. The children will describe what happens during Ramadan and will know how Muslims celebrate Eid-UI-Fitr.</p>	<p data-bbox="1128 823 2179 999">The children will begin the term with multiplication and division using a variety of methods and manipulatives to explore the subject including grouping and bar models. This is followed by statistics using tally charts, pictograms and block diagrams. They will be both creating their own and analysing information. Length and height and the properties of 2d and 3d shape complete this term.</p>	
English			Science	Termly School Value
<p data-bbox="56 1233 1097 1441">English in term 4 fires up children's imagination by entering the world of the dragon! They will be writing stories to entertain using the wonderful book, The Dragon Snatcher. Can they stop the wizard from snatching the last dragon's egg? Then using Once Upon a Dragon's fire the children can write an alternative ending, is the dragon good or bad? Finally they will be writing instructions to create a flying dragon machine, how will it fly? What will they need to do?</p>			<p data-bbox="1128 1233 1809 1441">This term in Science, we are continuing to look at Everyday Materials. We will be investigating the suitability of objects for a purpose and how to describe the properties of these materials and how the shape of these objects can change by bending, twisting or squashing them.</p>	 <p data-bbox="1933 1430 2096 1457"><b>COURAGE</b></p>
